Md. Alif Mahmud Bijoy

AVIONICS STUDENT · GRAPHIC DESIGNER · VIDEO EDITOR

alifmbijoy.official@gmail.com | +880 1904-699898 | Bangladesh | linkedin.com/in/alifmbijoy

Aeronautical Engineering (Avionics) student with 6+ years of creative experience. I bridge the gap between aerospace engineering precision and creative design mastery. Whether analyzing complex avionics systems, leading technical teams, or crafting compelling brand identities, I bring meticulous attention to detail and a passion for excellence.

EXPERIENCE & LEADERSHIP

Control Engineer — 2026

Team Flight Core | Frontier Alliance

- Engineered and optimized UAV flight control algorithms for The Global Drone Virtual Competition 2026.
- Ensured system stability and precise maneuverability through rigorous simulation.

Commercial Strategist & Video Editor — 2025 – 2026

Team Pulse Dynamics | The Electrode Code

- Spearheaded commercial strategy and marketing initiatives for the competition team.
- Directed and edited high-impact promotional video content, elevating the team's professional presence.

Executive Member — 2025 – Present

AAUB Aero-Astro Club & Photography Club

- Organized major aerospace events, outreach programs, and competitions.
- Led photo coverage and visual documentation for top-tier university events.

Vice President & IT Head — 2024

SGCD English Language Club

- Led national event launches and managed the club's digital presence.
- Organized and contributed significantly to the 2nd SGCELC Carnival 2024.

KEY PROJECTS

Project Airborne Phoenix (DBF) — 2025

Active member of the AAUB Design/Build/Fly team. Contributed to aircraft design and documentation, earning the **Best Design Report Award**. Directed media and outreach and served in other sectors (documentation, manufacturing, avionics, logistics etc too).

Team Flight Core — UAV Design — 2026

Served as Control Engineer. Engineered and optimized UAV flight control algorithms and ensured system stability for The Global Drone Virtual Competition 2026.

Team Pulse Dynamics — 2025 – 2026

Commercial Strategist & Video Editor for The Electrode Code. Directed high-impact promotional video content and spearheaded competition marketing initiatives.

Brand Identity & Digital Design — 2024 – 2025

Designed **MATHELIC** logo merging integrals and gears; created the official aerospace-themed **AAUB Sports Jersey**; illustrated the cinematic **Drowning City** climate awareness project.

EDUCATION

B.Sc. Aeronautical Engineering (Avionics)

Aviation and Aerospace University, Bangladesh

Current Student

Higher Secondary Certificate (Science)

Sabujbagh Govt. College, Dhaka

GPA: 5.00 | 2024

Secondary School Certificate (Science)

Motijheel Govt. Boys High School

GPA: 5.00

SKILLS

ENGINEERING

Avionics Systems | MATLAB | Simulink | Arduino | Programming

GRAPHIC DESIGN

Adobe Photoshop | Adobe Illustrator | Branding & Identity | Canva Pro

VIDEO & MEDIA

Premiere Pro | CapCut Pro | Cinematography | Color Grading

AWARDS & CERTS

MATLAB & Simulink Onramp
MathWorks Certified | 2025–2026

Best Design Report — DBF
AAUB Aero-Astro Club | 2025

Runners Up — Drone Mystery
AAUB Drone Club | 2025

Winner — Astro Olympiad
AAUB × BDOAA | 2025

Official Member
AIAA (American Institute of Aeronautics and Astronautics) | 2025

1st Place — Photography Contest
SGCPAC | 2024

100K+ Views — Documentary Film
Director / Creator | 2024
